Congress, And Ed Frits Of The NAB, And Tauzin, Is This Your
Standards of
Official

Conduct & Ethics.

I have been informed that Representative W. J. Billy Tauzin is
attempting
to block the FCC=92s Notice of Proposed Rule Making (Mass Media
Docket No.
99-25) that would allow low power FM radio broadcast stations for
neighborhood service.

Mr. Tauzin has stated that he will use his committee
to block any funding for the FCC consideration of this NPRM.
As one of the original petitioners for this new broadcast service, I am
strongly opposed to Mr. Tauzin=92s action.

Our nation is built on the premise
that citizens can make constructive proposals and have them seriously
considered by the Federal Government. Mr. Tauzin=92s action would
sabotage
this basic premise of American government because it would block the
FCC
from considering the thousands of submitted comments from citizens
requesting this new radio service.

It's what we've got here, right now in the form of Louisiana
Congressman Billy Tauzin. He's a republican with who the
NAB has in their pocket - His daughter works for them, too.

Because Tauzin happens to be the chairman of the
Telecommunications Subcommittee for the powerful House
Commerce Committee, the group of those distinguished
gentlepeople who directly oversee the FCC. The NAB alerted

him to the LPFM NPRM, and as of now he's on a warpath,
spewing the party line. His moves could effectively kill the
NPRM before the FCC can take another step with it.

Inform Mr. Tauzin to avoid any actions against the FCC.

Thank you for your attention and your help.
